CHAP. I : The Very Oddcase Of DetectiveMarteau

Toulouse is not such a quiet town. Every forty years, Toulouse's celestial mechanics goes wrong and causes a breach in the space-time.

Ages pass and seasons change, chaos and madness seize the whole city.

Famous and dead personalities from Toulouse raise from their graves... Among them, a vengeful ghost is about to strike one more time.

Locked up in the Hôtel-Dieu asylum, Detective Marteau still states his discovery loud and clear, in vain... For tonight, just as forty years, a ghost will commit a murder. Using his personal notes and parchments he hid on his way to the asylum, only you can continue the investigation and solve this mystery !

You have 1:45 to solve this case and prevent another murder!
